ACCESS

By Air

Most guests fly into Victoria Falls or Harare International Airports. From there "daily on-demand pay-per-seat charter flights" are available into Kariba (min 2 pax), either at our closest airstrip, Kanjedza, where guests are met and transferred a short 30 min drive into camp – or at Kariba Airport, where a 20 min road transfer will take them to Kariba Breezes Harbour, followed by a 45 min boat transfer into camp (min 4 pax).

Another option is to fly into Lusaka International Airport and road transfer to Kariba, followed by a 45 min boat transfer into camp.

By Road

Guests can opt to drive to Kariba (map on request), where they will leave their vehicle at Marineland Harbour and then take a 45min boat transfer to Camp.

Self Drive

By Boat - guests can use their own boats to access Changa.

By Road - this is not recommended unless guests are serious 4x4 enthusiasts. From Harare, the drive will take approx. 10 hours. Directions are available on request.
